this book is the first intersectionality mainstreamed textbook written for introductory political science courses

members of communities of color in the united states often struggle for equity autonomy survival and justice community based participatory research is an edited volume from activist scholars who present personal testimonies showcasing how community based participatory research cbpr can lead to sustainable change and empowerment editor natalia deeb sossa has chosen contributors whose diverse interdisciplinary projects are grounded in politically engaged research in chicanx and latinx communities the scholars advocacy work is a core component of the research design of their studies challenging the idea that research needs to be neutral or unbiased the testimonies tell of projects that stem from community demands for truly collaborative research addressing locally identified issues and promoting community social change contributors share their personal experiences in conducting cbpr focusing on the complexities of implementing this method and how it may create sustainable change and community empowerment along with a retrospective analysis of how cbpr has been at the center of the chicana o movement and chicana o studies the book includes a discussion of consejos y advertencias advice and warnings the most knowledgeable people on community issues are the very members of the communities themselves recognizing a need to identify the experiences and voices testimonios of communities of color activist scholars showcase how to incorporate the perspectives of the true experts the poor women farmworkers students activists elders and immigrants

when a beauty that hurts first appeared in 1995 guatemala was one of the world s most flagrant violators of human rights an accord brokered by the united nations brought a measure of peace after three decades of armed conflict but the country s troubles are far from over george lovell revisits guatemala to grapple once again with the terror inflicted on its maya peoples by a military dominated state

this textbook is the new edition of purnell s famous transcultural health care based on the purnell twelve step model and theory of cultural competence this textbook an extended version of the recently published handbook focuses on specific populations and provides the most recent research and evidence in the field this new updated edition discusses individual competences and evidence based practices as well as international standards organizational cultural competence and perspectives on health care in a global context the individual chapters present selected populations offering a balance of collectivistic and individualistic cultures featuring a uniquely comprehensive assessment guide it is the only book that provides a complete profile of a population group across clinical practice settings further it includes a personal understanding of the traditions and customs of society offering all health professionals a unique perspective on the implications for patient care

americans are awakening to just how costly and destructive our fossil fuel habit has become to the environment our national security and

stature our health and especially our pocketbooks we want to take action to move our country down the path to clean energy but we re not sure how coming clean provides the road map showing how we as motivated citizens can promote real solutions and collectively pressure government and corporations to change their energy priorities author michael brune tracks the myriad ways our thirst for dwindling supplies of oil and coal corrupts national policy and international finance harms poor communities worldwide and wreaks havoc on the climate he describes the most promising developments in renewables biofuels and efficient design and outlines an inspiring vision of the clean energy future within our reach book jacket

from one of america s leading legal minds a riveting look at the u s cuban relationship seen through the lens of a nearly impossible case during his distinguished career martin garbus has established himself as a well known trial lawyer representing the likes of daniel ellsberg and leonard peltier but there is no story garbus wants to tell more than that of his most challenging case representing five cuban spies marooned in the u s prison system and his efforts to get them out north of havana tells the story of a spy ring sent by cuba in the early 1990s to infiltrate anti communist extremists in miami erroneously charged by the u s government in connection with the 1996 shutdown of two planes circulating anti castro leaflets over havana the spies in the absence of evidence were convicted in 2000 of conspiracy to commit espionage and murder caught up in the sweep of history the cuban five as they became known played a central role over the next decade in the recent thaw in cuban american relations set in miami and havana north of havana is a mesmerizing tale of international intrigue espionage and political gamesmanship that continues to play a shaping role in american foreign policy and presidential elections in the process the books shows how the justice system can be and is subverted for political purposes and gives readers insight into one of the most fascinating legal cases of our times

her story reflects the experiences common to many indian communities in latin america today rigoberta suffered gross injustice and hardship in her early life her brother father and mother were murdered by the guatemalan military she learned spanish and turned to catechist work as an expression of political revolt as well as religious commitment the anthropologist elisabeth burgos debray herself a latin american woman conducted a series of interviews with rigoberta menchu the result is a book unique in contemporary literature which records the detail of everyday indian life rigoberta s gift for striking expression vividly conveys both the religious and superstitious beliefs of her community and her personal response to feminist and socialist ideas above all these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman

the united nations arms trade treaty became binding international law in late 2014 and although the text of the treaty is a relatively concise framework for assessing whether to authorize or deny proposed conventional weapons transfers by states parties there exists controversy as to the meaning of certain key provisions furthermore the treaty requires a national regulatory body to authorize proposed transfers of conventional weapons covered by the treaty but does not detail how such a body should be established and how it should effectively function the arms trade treaty a commentary explains in detail each of the treaty provisions the parameters for prohibitions or the denial of transfers international cooperation and assistance and implementation obligations and mechanisms as states ratify and implement the treaty over the next few years the commentary provides invaluable guidance to government officials commentators and scholars on the meaning of its contentious provisions this volume describes in detail which weapons are covered by the treaty and explains the different forms of transfer that the arms trade treaty regulates it covers international human rights trade disarmament humanitarian law criminal law and state to state use of force as well as the application of the treaty to non state actors

in the spirit of models of argument starting with inquiry this book starts with a question what might it mean to teach argument in ways that open up spaces for change changes of mind changes of practice and policy changes in ways of talking and relating the author explores teaching argument in ways that take into account the complexities and pluralities young people face as they attempt to enact local and global citizenship with others who may reasonably disagree the focus is foremost on social action the hard hopeful work of finding productive ways forward in contexts where people need to work together across difference to get something worthwhile done

in roger simon s new collection based on ten years of research the respected scholar reminds us that historically traumatic events simultaneously summon forgetting and remembrance in unique ways the touch of the past explores the ways in which remembrance consciousness and history affect how students learn and educators teach simon examines how testimonies of historic events influence learning and how communities deal with collective memory a serious contribution to the research in education and memory and trauma studies from a top philosopher in the field

now a global bestseller the remarkable life of rigoberta mench a guatemalan peasant woman reflects on the experiences common to many indian communities in latin america mench suffered gross injustice and hardship in her early life her brother father and mother were murdered by the guatemalan military she learned spanish and turned to catechistic work as an expression of political revolt as well as religious commitment mench vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist

ideas above all these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman
